

The Greatest Adventure

Started as friends, living together, we grew ever closer
After a while, slowly we started to see something more in us
Then one night while my parents were out
Holding each other on the couch
A moment of silence, then we both confessed that we were in love

Gabbie, I'd never thought we'd be where we are
When I'm looking back, I swear we've come so far
With this love that we found, blossoming into a flower now
Wherever you go, I'll be right by your side
We'll travel the world, there's no mountain too high
And whatever we do, every moment we spend is the greatest adventure with you

Tacos on Tuesdays, ice cream and tomagoyaki are our faves
Eating and laughing, you are the one that always makes me happy
And wondering what I would do
If I had never met you
But I don't need to wonder 'cause I'm pretty sure that we were meant to be

Gabbie, I'd never thought we'd be where we are
When I'm looking back, I swear we've come so far
With this love that we found, blossoming into a flower now
Wherever you go, I'll be right by your side
We'll travel the world, there's no mountain too high
And whatever we do, every moment we spend is the greatest adventure with you
