

'Always, You're the One'

I knew I loved you from the very start.  
There weren't days I would pass through  
Where you weren't on my heart.

And all the memories we have made  
Like the Central Park and Zoo  
Have always led me where I wanted  
Hand-in-hand just me and you.

'Cause I love you  
More than you could ever know.  
And no matter what we go through  
Your heart will be my home.

You're the greatest mom  
That Luca and Frankie could ever want  
And I'll love you today until forever.  
'Cause forever always you're the one.
