

Amy remember when we met at Sears,  
God was looking down on us,  
Cause He knew I had to be there

A military boy and a security guard,  
Brought together to fall in love,  
Not even 3000 miles can keep us apart

And here we are at our 19th year,  
Loved each other from Germany to Texas  
You, Cole and Cannon are the greatest gift,

And I promise as we get older,  
My love for you will only get stronger,  
Let's grow old together babe,  
Cause with you I'm a better man
