

Can't Get Better Than That

*They bought a house in Utah
Became husband and wife
Two old souls living together in life
The whole family's happy
That you're together
Katelyn and David
May it be forever*

From father Marco

*A love like this
Is meant to be
Sweeter than
Jameson whiskey
Into the sunset
Wearin' cowboy hats
Meant for each other
It can't get better than that*
